

DUNDEE HERITAGE TRUST

HERITAGE PARTNERSHIP SCHEME 2014

Heritage in the business community

Did you know that Dundee Heritage Trust is an independent museum Trust dependent upon fundraising and trading income to deliver its aims?

You can help the Trust inspire people with our stories and help secure your heritage for as little as £300 per annum.

Dundee Heritage Partnership Scheme

The Dundee Heritage Partnership Scheme is aimed at enabling organisations and individuals to support the work of Dundee Heritage Trust and share our passion for your heritage.

Formed in 1985, Dundee Heritage Trust is a registered charity dedicated to the guardianship, preservation, and portrayal of Dundee's Heritage in ways that educate, inspire and enlighten current and future generations.

Dundee Heritage Trust has responsibility for the ongoing preservation and restoration of the internationally important Royal Research Ship *Discovery* and Scotland's Jute Museum @ Verdant Works, one of the nation's most important textile museums. Both Museums hold collections recognised as being of National Significance.

The quality of the museums is acknowledged by the numerous awards they have achieved including being consistently awarded Five Star Status through the VisitScotland Quality Assurance Scheme.

In addition to its conservation and restoration work, the Trust delivers a fully resourced Education and Outreach Programme to various community groups and schools. The quality of the Trust's Education Service is recognised by the continuous accolade of the prestigious Sandford Award for Heritage Education. As well as the Education Service the Trust offers volunteering opportunities to the local community through its Friends Organisation.

Dundee Heritage Trust is an independent charitable Trust and receives no revenue funding from National Government. Delivery of its public service aims is heavily dependent upon support from private businesses, individuals and charitable trusts.

Your support will allow the Trust to continue to inspire visitors to its museums to seek new challenges, understand our place in history, conserve and display our heritage and keep alive a sense of wonder at those who have gone before us.
